

Employment

Employment Opportunities

If you are a 'people' person, exceed expectations, and truly know what it means to put a patient's goals and satisfaction first, we're interested in you. From time to time we have opportunities for employment in our growing company and we continually strive to hire only the BEST. If you're looking for physical therapy jobs in Baton Rouge, Denham Springs, Port Allen, Brusley, or nearby, Peak Performance is the right place to look.

Our therapists, athletic trainers, wellness trainers, front office workers, and billing staff are among the top performers in their respective fields. We offer nothing less than the best to our patients. It's not always easy to earn the opportunity to wear the Peak Performance logo on your shirt, but when you do, you'll wear it with pride.

If you are interested in an opportunity at Peak Performance Physical Therapy & Fitness, LLC, contact us at admin@peakphysicaltherapy.com. Good luck and thank you for interest in Peak Performance Physical Therapy.
